Lemon Ginger Green

Zesty Lisbon Lemon, healthful Ginger and two very lively Green teas come together to celebrate life, health, and well being.

Toasted Rice Green

Sweet and delicate green tea with the additional appeal of toasted rice. The rice adds a toasty aroma to the blend.

White Teas

White Peony

(Organic Whole leaf White Tea with Rose petals)
The Chinese name, "Bai Mu Dan", literally means white peony blossom. There is no Peony in this tea, just luscious white tea. Harvested only during a brief period in early spring, white tea is the unopened bud of the tea plant. Classic white tea is smooth and savory, but so light in the cup as to be called "white". White tea is the very early spring growth of certain tea plants that is handled very delicately to preserve the white "hairs" on the leaves. It is very gently sun-dried to preserve the mellow flavor of the tea.

Herbals

Thai Lemon

Flower petals, lemon-zest herbs and hues of green leaves and lemon grass infuse to create this honey-colored nectar. Slightly tart.

Sweet Chamomile

Sweet and delicious flowers-aromatic and relaxing – This herb will soothe the digestive tract and calm your nerves.

Ginger Ginseng

Filled with the spicy zip of real ginger, fortified with ginseng and healthful herbs.

Simply Mint
